Company
growth

Our RoadMap

01

Phase 1

Increase our family to get listed on big exchanges we are doing this to show exchanges our community

02

phase 2

earned token converted into \$zoi coins and they will be rewarded after sybill detection and kyc

03

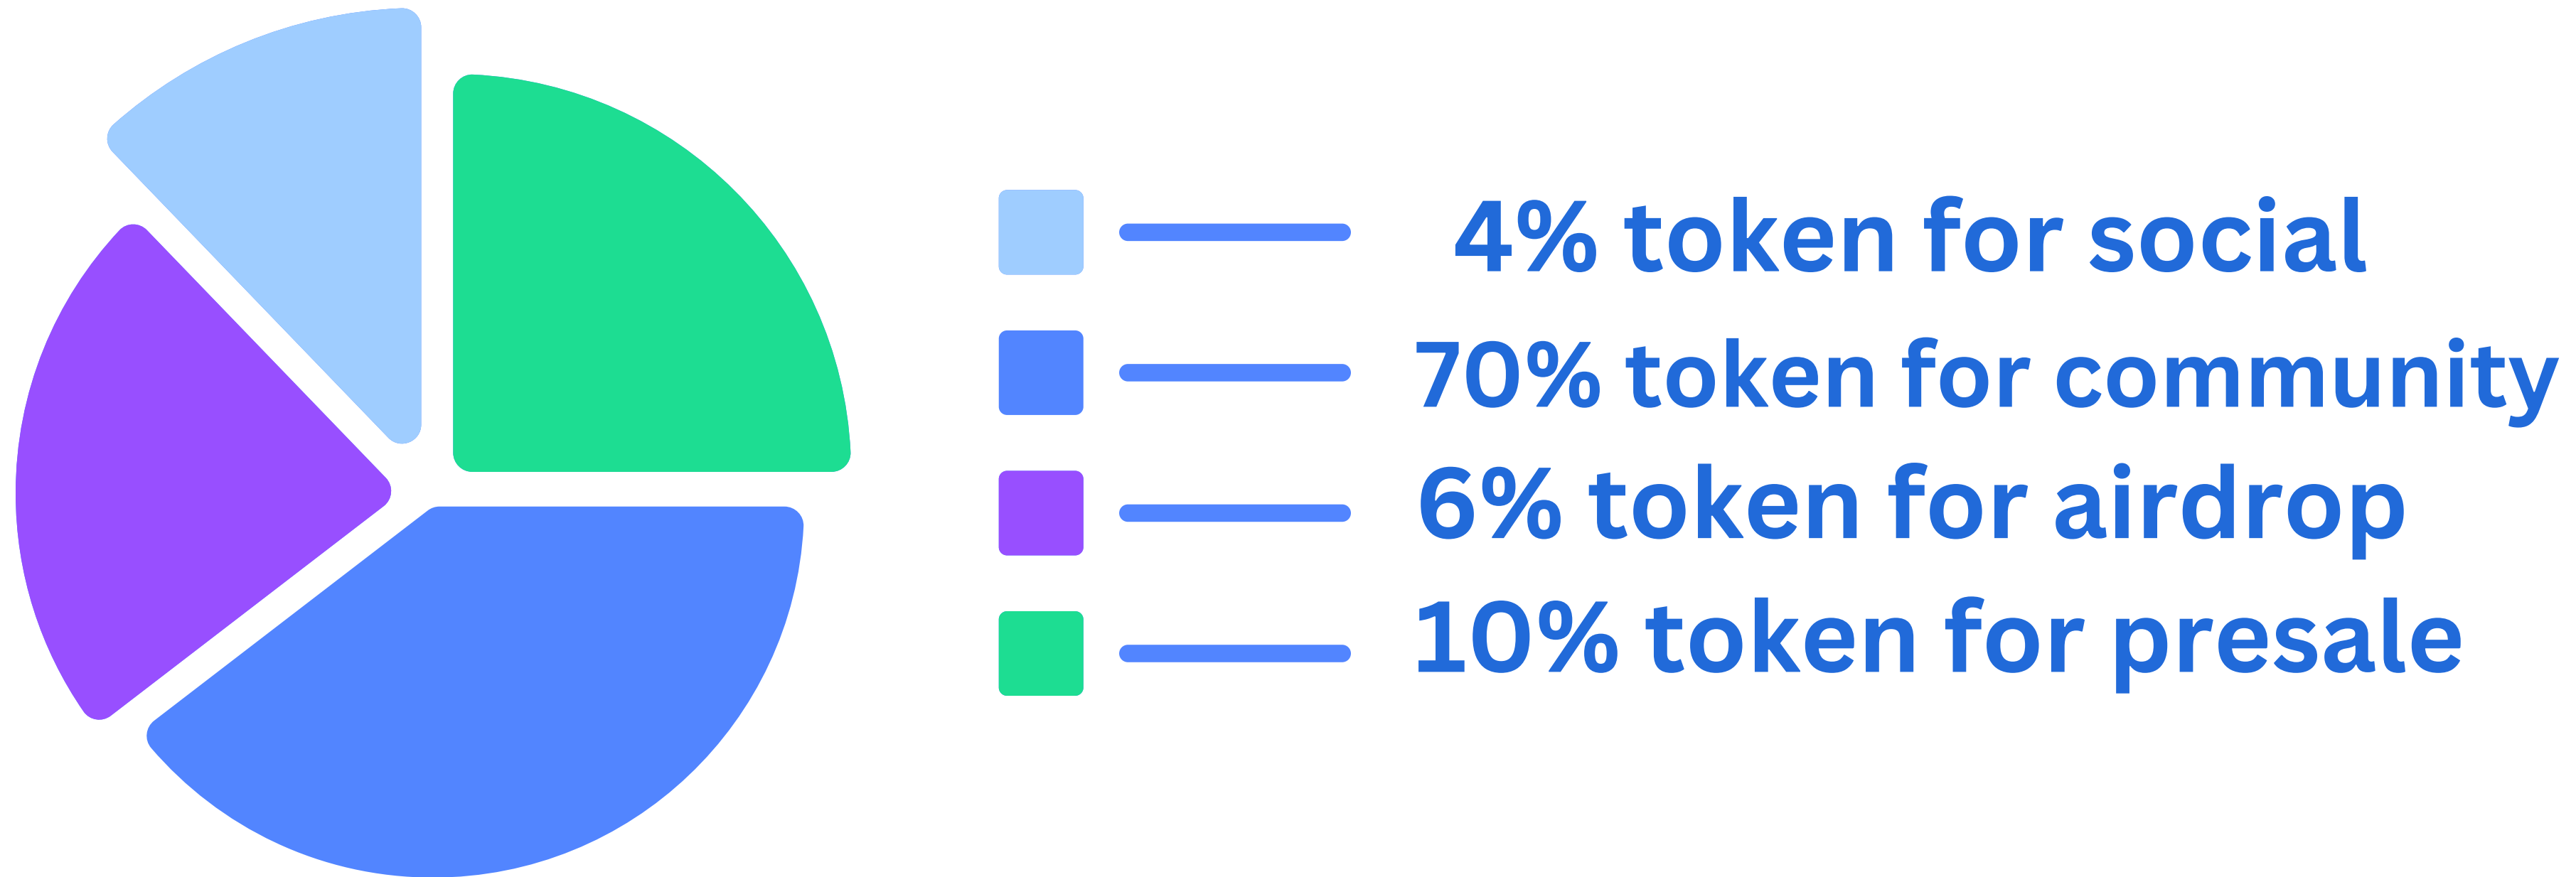

phase 3

\$zoi coin will be listed on big exchanges and it will be utility token in our gaming platforms.

We will list our \$zoi coin after these phases and after that it will be used in our gaming platforms

Token Distribution

100% token will be used in games

Z O I N E T W O R K
